

IT'S TIME FOR JUSTICE

International Affairs Committee

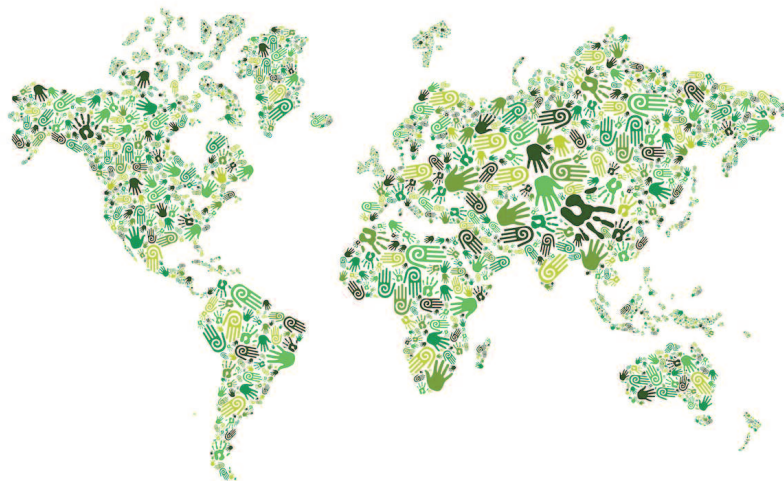

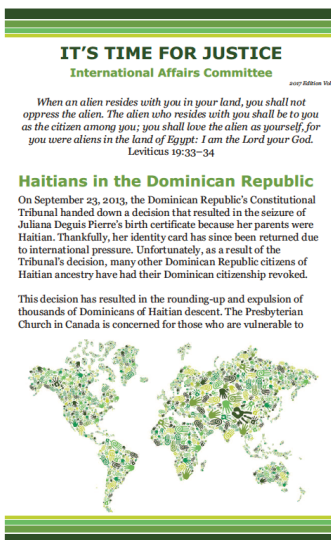

****New Bulletin Inserts Available****

Words have power.

Often, how we define words such as *alien*, *citizen*, *Indigenous*, *minority* as well as *majority*, *ethnicity* and *nationality* affect how we treat people. God's message of care leads us to offer hospitality and to be concerned with healing broken relationships and upholding the dignity of all people.

Order copies of the **It's Time for Justice** bulletin inserts. There are five bulletins to be used to draw attention to the situation of Dominican citizens of Haitian descent in the Dominican Republic, Koreans in Japan, Roma people in Hungary and the Ukraine, Indigenous people in Guatemala, and the need to respect the human rights of all people, regardless of their sexual orientation.
