Interrupting Silence: God's Command to Speak Out

Walter Brueggemann

Silence is a complex matter. It can refer to awe before unutterable holiness, but it can also refer to the coercion where some voices are silenced in the interest of control by the dominant voices. It is the latter silence that Walter Brueggemann explores, urging us to speak up in situations of injustice.

A Gospel of Hope (Hardback)

Walter Brueggemann

Walter Brueggemann offers penetrating insights on Scripture and prophetic diagnoses of our culture. Instead of maintaining what is safe and routine, A Gospel of Hope encourages readers to embrace the audacity required to live out one's faith. This must-have volume gathers Brueggemann's wisdom on topics ranging from anxiety and abundance to partisanship and the role of faith in public life.

Peaceful Neighbor: Discovering the Countercultural Mister Rogers

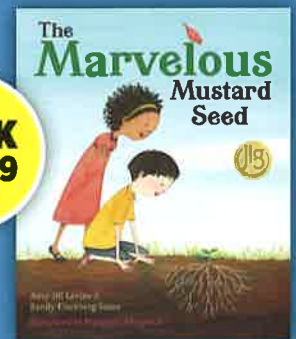

Michael G. Long

This profound book shows how Fred Rogers, with progressive spirituality as his inspiration, used his children's program as a platform for sharing countercultural beliefs about caring nonviolently for one another, animals, and the earth. Mister Rogers' Neighborhood, it turns out, is far from sappy, sentimental, and shallow; it's a sharp political response to a civil and political society poised to kill.
