Are you on PAR?

Christians give as an act of worship.

Pre-Authorized Remittance (PAR) enables you to give your offering intentionally, proportionally and faithfully all year long—even when you are away—through an automatic monthly withdrawal from your bank account.

By giving regularly to your church family, you help nurture your congregation, support your church home, teach children and young people about Christ and support people in your community through mission and outreach programs. Using PAR to provide a regular, dependable flow of contributions throughout the year helps your congregation to plan and budget while increasing their overall financial stability.

Regular giving makes a difference!

We grow in generosity when we develop the habit of regular giving.
