Re: Definition of Marriage

You are asked to approve or disapprove this change.

That the following be approved and remitted to presbyteries under the Barrier Act. (Special Committee on Implications of Pathway B, Recommendation No 2, as amended, p. 51):

The Presbyterian Church in Canada holds two parallel definitions of marriage and recognizes that faithful, Holy Spirit filled, Christ centred, God honouring people can understand marriage as a covenant relationship between a man and a woman or as a covenant relationship between two adult persons.

That congregations, sessions, ruling and teaching elders be granted liberty of conscience and action on marriage.
