As we celebrate God's great gift of love during Advent, we also share our gifts with others. These gifts help change lives in Canada and around the world. Seeds for farmers, books for theological students, workshops on Indigenous culture and language—every gift is a gift of hope.

Every gift changes lives.

When you choose a gift from the Gifts of Change catalogue you become part of the bigger picture of hope and change that is happening through the Presbyterian Church in Canada and our partners.

Help change a life this Advent season!

- STEP 1** Prayerfully consider making a special gift this Christmas.
- STEP 2** Review the Gifts of Change catalogue in print or online at presbyterian.ca/giftsofchange to choose a project.
- STEP 3** Pick an ornament. Write the name of the project and the amount of the gift on the back. Place the ornament on the Giving Tree.
- STEP 4** Make your donation. Fill out an order form and place it along with your cheque in the offering plate, or make a donation online, by phone or mail directly to the national office.
- STEP 5** At the end of Advent, celebrate with your congregation the change you have all helped make possible!
