TECHNICAL ASSISTANCE
Please indicate any technical assistance you may need to participate (staff and presbyteries will do their best to accommodate any needs but cannot guarantee participation in every case). Commissioners will need a computer and regular home high speed internet connection. It will be easier to follow the Assembly using two devices. The second device can be a computer, tablet, or smartphone.

**POLICY SIGN-OFF**

*I understand that as a commissioner, young adult representative, student representative or resource person to the 2021 General Assembly, I will be engaging in a public event that will be attended online and livestreamed through different online channels. I understand there are potential risks to this technology, including interruptions, unauthorized access, and technical difficulties, that are beyond the control of The Presbyterian Church in Canada and all who are supporting the technology that is allowing me to participate in the General Assembly. I understand that it is my responsibility to have a reliably functioning wi-fi system. I will attend one of the mandatory trainings in order to test my system and be prepared to access the online meeting, participate, access the materials and (for commissioners and advisory delegates) vote through PC-Biz. I understand that my image, voice and quotes may be used in reporting or social media posts.*

**Participant agreement:** ☐ I understand and accept the above statement.
