RE: Overtures and Petitions Deadline – General Assembly 2023

Dear Friend in Christ,

Petitions

The deadline for receiving Petitions for the 2023 General Assembly is **Friday, April 1, 2023**. Those received after this date will be returned to the presbytery/synod clerk after the General Assembly and may be re-submitted to a future Assembly.

Overtures

There are two deadlines for receiving overtures:

Referred Overtures must be received by **February 1, 2023**. If received by this date, the committee to which the overture is referred is expected to respond in June or request permission of the Assembly for an extension of time (296.1.1). If a referred overture is received after this date but before April 1, 2023, it will be treated as an unrefereed overture and printed in the Book of Reports.

Unrefereed Overtures must be received by **April 1, 2023**. Any overtures received after this date will be held by the Clerks of Assembly for presentation to the next Assembly, with the provision that the originator of the overture will be asked by the Assembly Office if they wish to stipulate a referral to a committee, in which case that committee may begin formulating a response at any time (296.3.1).

80.1 It is an instruction to clerks of presbyteries to forward all overtures to the Clerks of Assembly prior to the date which shall be indicated yearly by a circular to the clerks of presbytery from the Clerks of Assembly, namely February 1st, except in the case of unrefereed overtures, which shall be April 1st; but overtures in reference to names on the constituent roll of presbytery may be forwarded later if the need arises (see section 297.5 and Appendix A–7).

The Clerks of Assembly are prepared to assist courts of the church in ensuring that transmissions to the General Assembly are in proper form. Please feel free to contact us ahead of sending them in, if you wish us to have a look at them.

Thank you for your partnership in ministry and may God's blessing be with you.

Principal Clerk
