The Presbyterian Church in Canada acknowledges that it meets and worships on the traditional lands of Indigenous peoples and recognizes a long and rich history, which predates the establishment of European colonies. We further acknowledge the territory's significance for the Indigenous peoples who lived, and continue to live, upon it and whose practices and spiritualities are tied to the land. The Presbyterian Church in Canada repudiates concepts used to justify European sovereignty over Indigenous lands and peoples and reaffirms its commitment to healing and reconciliation with Indigenous peoples.
