

**NARRATIVES THAT SHAPE US**  
**An Ecumenical Faith Panel Discussion**

We are blessed to be able to welcome an ecumenical faith panel to discuss narratives of faith that shape their identities. We welcome to the panel Ms. Rula Odeh, Board Chair of Canadian Friends of Sabeel, Fr. Bohdan Hladko of the Ukrainian Orthodox Church, Dr. Allen Jorgenson of the Evangelical Lutheran Church in Canada, the Rev. Mary Fontaine, Moderator of the 2023 General Assembly and the Rev. Dr. Pat Dutcher-Walls, the current Moderator of The Presbyterian Church in Canada.

The panel will be moderated by the Rev. Dr. Jean Morris who convenes the working group of the Assembly Council on Narratives of Hope and Possibility.

This conversation aims to help us understand the narratives that shape the identities of some of our ecumenical partners and how those narratives inform their identities, in the past, in the present and the hope they offer for the future.
