***"I came that they may have life,
and have it abundantly."*** John 10:10

Presbyterians in Canada are making a positive difference in our global village. Through PWS&D, we are supporting and empowering vulnerable communities and families so that they may create hopeful, vibrant and sustainable futures.

When our sisters and brothers around the world live in safety and good health, are able to support their families, and can be the people God created them to be they are experiencing life in its fullest abundance.

Together we are helping accomplish God's vision of abundant life. Thank you for your prayers and generous support!

WeRespond.ca

With the support of Presbyterians across Canada, PWS&D responds to situations of hunger, poverty, injustice and disaster. Together we work for a sustainable, compassionate and just world.

Food Security

Communities are learning innovative and sustainable agriculture practices to increase crop yields, improve nutrition and build resilience to environmental changes.

Livelihoods

Families are empowered to meet their basic needs through education, skills training and small business development. When one person becomes self-reliant, they are able to improve their quality of life and lift up others in the community.

Health

By ensuring mothers and children receive the medical care they need, caring for people affected by HIV and AIDS, and providing access to water and sanitation programs, families and communities are growing healthier and stronger.

Human Rights

Injustices are being combated through a shared commitment to human rights. PWS&D is protecting and promoting the rights of women, children, workers, subsistence farmers, persons with disabilities, and refugees.

Refugees

By providing assistance to refugees and displaced people around the world and sponsoring refugees with support from Canadian congregations, families are able to rebuild their lives without fear of persecution.

Emergency Relief

Immediate and long-term emergency relief is given during times of conflict and disaster, ensuring that those affected have access to food, shelter, medical attention and psychosocial support.

We do this together.

You can help sustain this life-saving work today by donating online, calling the office, mailing in a cheque, becoming a monthly donor or donating through your church by marking your offering envelope "PWS&D."
