Advent
Challenge

Take the Advent Challenge

During Advent we celebrate the amazing gift God gave - Jesus! This gift changed the world, and so can we.

Challenge your congregation to do Advent differently.

Each week of Advent, read the stories on the back of the PWS&D Advent liturgies and complete the weekly Advent Challenges to share the gifts of hope, peace, joy and love.

Gift of Hope: Support small-scale farmers enduring the effects of an uncertain climate—it's one of the ways we are working to end global hunger.

Gift of Peace: Help ensure Syrian refugees can access shelter and food while faced with the challenges of displacement and the uncertainties of war.

Gift of Joy: Invest in maternal and newborn health services in Malawi and Afghanistan so mothers and their babies can embrace futures of hope and vitality.

Gift of Love: Help empower women and girls. With access to education and skills training, they will help their families and communities prosper.

Gifts of Christmas: Hold a special offering for PWS&D.
