

## Help PWS&D Respond to Hurricane Matthew

In Haiti, entire communities have been devastated and over 1,000 lives claimed since Hurricane Matthew struck on October 4. Torrential rain, flooding, mudslides and violent winds have reduced homes to rubble, obliterated crops, destroyed livelihoods and put 1.4 million people in desperate need of humanitarian aid.

PWS&D will be responding through our local partners and the ACT Alliance to bring food, water, shelter materials, emergency non-food items and psychosocial support to survivors in Haiti. For more information, visit [WeRespond.ca/responding-to-hurricane-matthew](https://www.werespond.ca/responding-to-hurricane-matthew).

You can contribute to relief efforts by making a donation through your church, mailing a cheque to the office, donating online or calling 1-800-619-7301 x291. **Please mark all donations "Hurricane Matthew." Please give today.**
