## Do Advent differently— take the Advent Challenge.

At Christmas we rejoice over the amazing gift God gave us—Jesus! This gift changed the world, and so can we.

Each week of Advent, read the stories on the back of the PWS&D Advent liturgies and complete the weekly Advent Challenges to share the gifts of hope, peace, joy and love that enable abundant life.

**Gift of Hope:** Help build strong, prosperous communities by ensuring mothers and newborns get the care and education they need to be healthy.

**Gift of Peace:** Strengthen the hearts and bodies of those displaced from their homes by delivering life-saving food and nutrition support.

**Gift of Joy:** Help vulnerable girls discover the joy of learning. Access to education empowers girls to claim their rights and lift their communities out of poverty.

**Gift of Love:** Enable health workers to continue providing children and youth with the treatment, love and support they need to overcome illness.

**Gifts of Christmas:** Hold a special offering for PWS&D.
