In Jesus' hands, five loaves and two fish became enough to feed a multitude, with plenty remaining. Inspired by the miracle of multiplication, generous donations to PWS&D's legacy fund—the Loaves & Fishes Fund—multiply over a seven-year period. With 1/7 of the gift used in the year it is given, the remainder is invested. Over the next six years, a portion, including interest generated and market valuation, is provided to PWS&D, ensuring consistent predictable support for our programs and operations.

In 2025, PWS&D received \$1.1 million in legacy gifts. We are so grateful for those who choose to include PWS&D in their legacy planning. **To learn more, visit [WeRespond.ca/legacy-gifts](https://www.werespond.ca/legacy-gifts).**
