## The Rev. Joel Sherbino Malawi

### Mission in Action

The PCC supports the Rev. Joel Sherbino as he serves as the part-time Malawi Liaison with the Church of Central Africa Presbyterian, Blantyre Synod. Joel seeks opportunities for Canadian Presbyterians to engage in Christ's mission in Malawi.

### Sharing God's Love in Prisons

Based in Paris, Ontario, Joel provides year-round support by phone and email to local chaplains and volunteers who are sharing the love of Christ with inmates in Malawian prisons. Through Bible study, worship, personal counselling and occasional distributions of medicines, sleeping mats and Bibles, this prison ministry makes a positive difference for those living in incredibly difficult circumstances. During an annual two-week visit to Malawi, Joel accompanies the team on their daily prison visits.

In Canada, Joel has raised the funds needed to enable a new collaboration with one of the PCC's mission partners, Theological Education by Extension, to provide biblical resources and training for the volunteers.

### A Passion For Transforming Lives

Joel says, "I am excited by what is happening and I look forward to the new possibilities. Thank you again for allowing me to be part of this ministry."

With the blessing of the Presbytery and his congregation, Joel is a living link that fosters the relationship we share in Jesus Christ.
