

Taiwan Mission Trip Opportunity

November 6–18, 2019

You have an opportunity to take part in an exciting PCC mission trip to Taipei, Tamsui and other areas. The Presbyterian Church in Taiwan (PCT) is one of the PCC's oldest partners, dating back to 1872, with the arrival of the Rev. Dr. George Leslie Mackay.

During this experience you'll learn first-hand about Taiwanese/Chinese culture, accompany the Rev. Dr. Paul McLean to meet Indigenous church leaders and Bible translators, and witness the unique emphasis on evangelism and justice within the Taiwanese church. You will learn about the medical and educational legacies of the PCC in Taiwan and be inspired by the leadership of women and young adults.

Space is limited so register today! Registration closes September 27.
